RULES RELATING LATE PAYMENTS / REËLS TOT BETREKKING TOT LAAT BETALINGS

A 2% interest charge per week will be applied to any account that is overdue by two weeks. Students with outstanding balances will not receive their report cards at the end of the term, nor will they be allowed to sit for exams, depending on the timeline within the term.

If the outstanding balance remains unpaid, students will not be permitted to attend classes, and the account will be handed over to legal authorities.

Please note that accounts cannot be settled in irregular amounts or at irregular intervals. As per your contract, the full monthly amount is due and must be paid in accordance with the agreed terms.

We strongly believe that providing quality education requires dedicated teachers, and it is essential that we are able to pay them promptly.

To that end, we kindly ask that all payments are made on time and in full.

"n 2%-rentekoers per week sal toegepas word op enige rekening wat twee weke agterstallig is.

Studente met uitstaande saldo's sal nie hul verslagkaarte aan die einde van die kwartaal ontvang nie, en hulle sal nie toegelaat word om eksamens af te lê nie, afhangende van die tydlyn binne die kwartaal.

As die uitstaande balans onbetaald bly, sal studente nie toegelaat word om klasse by te woon nie, en die rekening sal aan die wetlike owerhede oorhandig word.

Neem asseblief kennis dat rekeninge nie in onreëlmatige bedrae of op onreëlmatige tye vereffen kan word nie.

Soos per u kontrak, is die volle maandelikse bedrag verskuldig en moet dit betaal word volgens die ooreengekome voorwaardes.

Ons glo sterk dat om kwaliteit onderwys te verskaf, toegewyde onderwysers benodig word, en dit is noodsaaklik dat ons hulle betyds kan betaal.

Daarom vra ons vriendelik dat alle betalings betyds en ten volle gemaak word.
